Education

Purdue University West Lafayette, IN

B.S. in Computer Science, Minor in Mathematics; GPA: 3.62/4.00 *Expected May 2028*

- **Relevant Coursework:** Data Structures and Algorithms, Object-Oriented Programming, Computer Architecture, Discrete Mathematics, Systems Programming, Database Systems
- Dean's List (Fall 2024, Spring 2025, Fall 2025)

Experience

IT Help Desk Assistant Aug. 2025 – Present

Purdue University *West Lafayette, IN*

- Helped students and staff with computer problems, handling around 15 tickets per week
- Was responsible for fixing software issues and account access problems
- Worked on improving the ticket system and wrote a few help articles

Undergraduate Teaching Assistant, CS 18000 Jan. 2026 – May 2026

Purdue University *West Lafayette, IN*

- Held weekly office hours for students learning Java and object-oriented programming
- Graded programming assignments and gave feedback to a lab section of 25 students
- Helped students debug their code during lab sessions

Projects

Course Scheduler App | *Python, Flask, SQLite, HTML/CSS* Spring 2026

- Made a web app that helps students plan classes
- Used Python and a database to store data on courses and prerequisites
- Worked with a team of 3 people and used Git for version control
- Added a feature that checks for schedule conflicts

Discord Study Bot | *Python, discord.py* Fall 2025

- Built a bot for a club Discord server with over 100 members
- Added commands that people liked, such as study timers and reminders

Library Management System | *Java, SQL* Fall 2024

- Created a command-line app to check books in and out for a class project
- Stored book and member records in a SQL database

Leadership & Activities

Purdue LeetCode Club Aug. 2024 – Present

Member *West Lafayette, IN*

- Practice data structures and algorithm problems weekly and attend workshops and mock interviews

Technical Skills

Languages: Python, Java, C++, C, SQL, JavaScript, HTML/CSS
Frameworks & Libraries: Flask, discord.py, pandas
Developer Tools: Git, GitHub, VS Code, Linux, SQLite
